

PFI4991CS 09/07/20	Nordic Beauty Finlandia Regenerating Cure
Description:	Key ingredients:

"Nordic Beauty Finlandia Regenerating Cure" is a natural and powerful skin care product that was designed for mature skin. Nordic Beauty Berry Extracts, combined with Nordic Beauty Brassica Finlandia, hydrate, repair and smooth the skin. Novatext® Soft Focus 10 ISO 16128 blurs pores and fine lines for a healthy and fresh looking complexion.

• Nordic Beauty Berry Extracts are natural cosmetic ingredients that concentrate all the benefits of Nordic berries. They are rich sources of phenolic components, organic acids and vitamins. Thanks to their high percentage of antioxidants, they protect the skin form premature aging and increase its elasticity.

• Nordic Beauty Brassica Finlandia is a natural cold processed oil that concentrates all the benefits of rapeseed. It is extremely rich in essential fatty acids, vitamins, lecithin and phytosterols. It deeply hydrates, repairs and softens the skin.

• Novatext® Soft Focus 10 ISO 16128 is a texture modifier that gives a soft and silky feel. It also acts as a soft focus agent and has a mattifying effect on the skin.

Phase	INCI Name	Qty%	Function
А	Betula Alba Juice (and) Vaccinium Myrtillus Fruit Extract (and) Preservative system according to customer's choice	25,00%	Antioxidant
	Betula Alba Juice (and) Betula Alba Leaf Extract (and) Preservative system according to customer's choice	25,00%	Antioxidant
	Betula Alba Juice (and) Sorbus Aucuparia Fruit Extract (and) Preservative system according to customer's choice	25,00%	Antioxidant, Skin protection
	Water (and) Chondrus Crispus Extract (and) Natto Gum (and) Phenoxyetha- nol (and) Chlorphenesin (and) Citric Acid	5,00%	Thickener, Humectant
В	Brassica Napus Seed Oil	7,00%	Emollient, Nourishing
	Hydrogenated Vegetable Oil	4,00%	Emollient, Silicone substitute
	Sodium Acrylate/Sodium Acryloyldimethyl Taurate Copolymer (and) Hy- drogenated Vegetable Oil	4,00%	Auto-emulsifier, Texturizer
С	Hydrogenated Vegetable Oil (and) Silica (and) Disteardimonium Hectorite (and) Propylene Carbonate	5,00%	Soft focus agent
