Super Fresh AHA Peat Scrub, Rowanberry Extract “Vintage 2016”

Description:

Mask based on nature's super power products, Nordic Beauty Peat and AHA-BSC® SAP. This chemically exfoliating mask provides long-term moisturization and leaves the skin fresh while removing the dead skin cells.

Key ingredients:

- Nordic Beauty Peat is a pure natural product from Nordic nature. It is rich in humic and fulvic acids, bio-minerals, trace elements, vitamins, amino acids and fatty acids. It acts as a powerful firming agent while increasing microcirculation and collagen production.
- Nordic Beauty Birch Sap is a pure, bioactive water from Nordic Nature. It is full of vitamins, minerals, sugars and trace elements. It rejuvenates, hydrates and protects the skin from environmental pollution.
- AHA-BSC® SAP is a chemical exfoliator with AHA fruit extracts solubilized in Nordic Beauty Birch Sap, which is a NADES solvent. Birch Sap naturally contains acids hence it boosts the performance of the AHA fruit extracts.

Ingredient	Phase	INCI Name	Qty%	Function
Nordic Beauty Peat	A	Peat (and) Preservative system according to customer's choice	40,00%	Hydrating, Firming agent
AHA-BSC® SAP		Betula Alba Juice (and) Vaccinium Myrtillus Fruit Extract (and) Saccharum Officinarum (Sugarcane) Extract (and) Citrus Aurantium Dulcis (Orange) Fruit Extract (and) Citrus Limon (Lemon) Fruit Extract (and) Acer Saccharum (Sugar Maple) Extract (and) Preservative system according to customer's choice	30,00%	Chemical exfoliant
