Sea Buckthorn Bi-Phase Lotion "Vintage 2016"

Description:

This Bi-Phase Lotion is the ideal lotion to use at night, to perfect makeup removal, or in the morning for a gentle refreshing effect. Nordic Beauty Sea Buckthorn Extract, combined with Nordic Beauty Brassica Finlandia, hydrates, repairs and rejuvenates the skin.

Key ingredients:

- Nordic Beauty Sea Buckthorn Extract is a natural cosmetic ingredient that concentrates all the benefits of sea buckthorn (*Hippophae rhamnoides*). It is extremely rich in vitamins C and E, essential fatty acids and sugars. It rejuvenates the skin, combats free radical damage and decreases skin problems such as eczema.
- Nordic Beauty Birch Sap is a pure, bioactive fluid from the Nordic nature. It is full of vitamins, minerals, sugars and trace elements. It rejuvenates, hydrates and protects the skin from environmental pollution.
- Nordic Beauty Brassica Finlandia is a natural cold processed oil that concentrates all the benefits of rapeseed. It is extremely rich in essential fatty acids, vitamins, lecithin and phytosterols. It deeply moisturises, repairs and softens the skin.

Ingredient	Phase	INCI Name	Qty%	Function

Vegeflow® 30 ISO 16128		Hydrogenated Vegetable Oil	18,83%	Silicone substitute, Emollient

Procedure

Weigh raw materials of phase A and put under stirring.
Leave under stirring until homogenization.
Adjust the pH around 5.5 if necessary.
In the meantime, weigh phase B and put under stirring until homogenization.
When both phases are homogeneous, put phase A then phase B in packaging.

Efficacy Testing

Hydration increase of 22%, 5 minutes after application

ISO 16128 Indexes
